When I look into your eyes

I can see a love restrained

But darlin' when I hold you

Don't you know I feel the same

'Cause nothin' lasts forever

And we both know hearts can change

And it's hard to hold a candle

In the cold November rain

We've been through this

Such a long long time

Just tryin' to kill the pain

yeahh..

But lovers always come

And lovers always go

And no one's really sure

Who's lettin' go today

Walking away

If we could take the time

To lay it on the line

I could rest my head

Just knowin' that you were mine

All mine

So if you want to love me

Then darlin' don't refrain

Or I'll just end up walkin'

In the cold November rain

Do you need some time

On your own

Do you need some time

All alone

Everybody needs some time

On their own

Don't you know you need some time

All alone

I know it's hard to keep an open heart

When even friends seem out to harm you

But if you could heal a broken heart

Wouldn't time be out to charm you

Sometimes I need some time

On my own

Sometimes I need some time

All alone

Everybody needs some time

On their own

Don't you know you need some time

All alone

And when your fears subside

And shadows still remain

I know that you can love me

When there's no one left to blame

So never mind the darkness

We still can find a way

'Cause nothin' lasts forever

Even cold November rain

Don't ya think that you

Need somebody

Don't ya think that you

Need someone

Everybody needs somebody

You're not the only one

You're not the only one

Don't ya think that you

Need somebody

Don't ya think that you

Need someone

Everybody needs somebody

You're not the only one

You're not the only one
